Church Service Candles

Pure Beeswax and paraffin wax

Our Candles

We are one of the largest and oldest candle manufacturers of Church Service Candles in Northern Greece. We supply the local market with the finest church candles for more than 40 years and we have established a strong sales network to many Religious Communities all around the world.

Our candles are produced exclusively in our own premises by the finest beeswax and paraffin waxes. We have the ability to produce any kind of candle according to your specification in terms of diameter, height, weight and color. In addition, we can pack the candles according to your needs. Our Church Service Candles are produced according to the highest quality standards ensuring the finest final product.
